committee on consumer affairs and protection has scheduled a public hearing to debate the merits of a bill

so the warts got bigger again, and eventually it became pretty disturbing

but you will notice that you may need to slowly increase your dose by 0.05 ml increments until you reach

optimal effect

nigeria has spearheaded an impressive counterattack, which by some counts has brought the share of fake medicines down from around half to a tenth in five years

but there are also many smaller farmers, some with as little as an acre or two, who have not shared in the benefits of the banana boom.
